Reardon Case To Supreme Court

COUNCIL AFFIRMS LOCAL HOSPITAL FOR EMERGENCY SERVICE

**Dr. Lawler M. Drees
To Act As Chief Of
Emergency Department**

At the regular meeting of the Daly City Council, Monday night, November 26, the appointment of Dr. Lawler Drees, owner and operator of the Junipero Serra Hospital, as chief of emergency ambulance and hospital services for Daly City and vicinity, was officially confirmed.

Dr. Drees, who has extensive plans for expanding his present excellent emergency service, will provide a quick response and complete hospital service to all who require emergency medical attention.

The council also requested the Record to inform residents of Edgewood Terrace that their attention to the matter of registering as voters in this district may be taken care of at City Hall.

Democrats Held San Jose Meeting

A reorganization meeting of the 8th Congressional District Democratic Committee was held Monday evening, November 26, at the DeAnza hotel in San Jose. The meeting was attended by delegates from counties of the 8th district, and other interested party members.

Among those present were Arthur L. Johnson and David T. Brinker, former standard-bearers of the party, who both addressed the meeting.

The first district of San Mateo county was represented by Julius F. Castelan and Frank W. Kent, members of the county committee, and both of Daly City.

County elections were discussed, and a tentative organizational plan was approved. A committee headed by Professor Barclay of Palo Alto was appointed to consider and report on available candidates from this district.

Others on the committee are David Brinker of San Jose, Charles MacDonald of Palo Alto, Donald Younger of Santa Cruz, and Frank W. Kent of Daly City.

The next meeting will be held December 13, at 8 p. m. in the DeAnza Hotel, San Jose. All interested Democrats are invited to attend.

Navy Discharges Two Local Men

The following personnel from the Daly City area have been honorably discharged from the U. S. Navy, as of November 26, at the Naval Personnel Separation Center, Shoemaker, California:

Edward A. Kregar, CBM, of 428 Bellevue avenue; and Louis P. Maccarini, SCB, of 1166 Brunswick street.

Memorial Building Committee Selects Four Sites For Consideration

At the Wednesday night meeting of the Memorial Building site committee, at which the entire Daly City Council was present, four sites were selected for consideration.

Site number 1: Alp and Mission streets; number 2: Miriam and Westlake; number 3: Citrus and Mission streets; and site number 4: Santa Barbara avenue, north of Parkview.

It was unanimously decided that

Alan J. Rounds Home From Japan War Prisoner Camp

Mr. and Mrs. Lloyd Jones, of 745 Bellevue avenue, informed the Record this week of the safe arrival in the States of their grandson, Alan J. Rounds, after four years confinement in a Jap prison camp located in the Osaka district.

Taken prisoner while serving with the Merchant Marine, Alan was fortunate to return in comparative good health. He was transported by boat, after the rescue, to Balboa, C. Z., flown from there to New Orleans. Transferring to another plane at New Orleans, he should have arrived early on the morning of Tuesday, November 27; but due to the San Francisco airport being fog-bound, the plane had to go on to Sacramento, from which point he again flew to San Francisco, arriving shortly after noon.

Alan's mother is Mrs. Edith Ginsley.

Frank W. Davison Held On Charge Of Manslaughter In S. F.

Homeward bound from neighborhood motion picture theatre where she was employed as matron, Mrs. Mae Holland, 51, of 3426 22nd street, San Francisco, was struck and killed by an automobile as she stood in a pedestrian zone at Mission and 22nd streets.

The taxicab which struck the woman had been run into by a car driven by Frank W. Davison, 31, of 31 South Park drive, Daly City. The accident occurred at approximately 2:40 a. m. November 22.

Davison was booked at city prison for manslaughter, drunken driving involving personal injuries and on several other minor charges, on November 24.

Davison and four other persons, including three members of his family were injured. Davison and his mother, Rachel, 65; his wife Dolores, 19; and his 9-months-old daughter, Dianne, suffered multiple cuts and bruises requiring treatment at Mission Emergency hospital.

Mrs. Agnes Hendricks, 64, of 1225A Florida street, Mrs. Holland's companion, sustained a possible fracture of the skull and laceration of the leg.

John Negri, 148 Alhambra street, who was driving the cab involved told police Davison crashed into him as he was stopped for a traffic light.

Howard Mattson Held To Answer On Theft Charge

On August 30, Joseph Rotar, and his sister Mrs. Howard R. Mattson reported to police that \$1200 all in \$100 bills had been hidden behind the refrigerator in the presence of Howard R. Mattson. The money disappeared and so did Mattson.

Various places at which Mattson might be staying were checked, but without immediate results. An all-points teletype was sent out by the sheriff's office in hope of locating him.

The search was finally successful, for on the afternoon of November 20, Mattson was served with a grand theft warrant, issued by Judge Sweeney, sworn to by Joseph Rotar.

Bail was set at \$1500 cash or \$3000 bond. Mattson was remanded to the custody of the sheriff and taken to the San Mateo county jail.

He is scheduled for a preliminary hearing before Judge Sweeney on Friday, November 30.

Colma Boy Dies After Boxing Bout

Teddy McDonald, 14, and his brother Howard Jr., 15, were engaged in a bare-fisted sparring bout Wednesday night, in their Railroad avenue home, Colma.

Just after Teddy collapsed from a blow below the heart, his father arrived home; he rushed the boy to Junipero Serra hospital, where attending physicians pronounced him dead.

Police have placed Howard Jr. in the custody of his father pending a complete investigation of the tragedy.

Rural Employment Opportunity Good

Opportunities for employment in agricultural fields are excellent at present and the demand seems likely to continue, according to F. L. Griffin, supervisor of the two-year curriculum on the Davis campus of the University of California.

Even before the war little difficulty was experienced in placing qualified graduates in their fields. Griffin says, and the number of technical workers now available is far less than needed in the industries associated with agriculture.

"FIGHT JUST BEGUN" STATES REARDON, START ACTION IN HIGHER COURT

Muriel Mooney Leading Victory Loan Queen Race

Miss Muriel Mooney, charming and attractive City Hall candidate for Victory Loan Queen honors, is leading the field today as the contest draws to a close.

All ballots will be turned in to area headquarters at midnight, Saturday, December 1. When the official count is confirmed, winner in each participating city will be formally notified of her "royal" status by officials in charge of the contest.

After being named "City Queen," the winner will then compete for county honors. And on the night of December 10, county queens from all of Northern California will be presented to the public at a huge bond show and rally in San Francisco, and the Northern California winner will be announced.

Litton Engineering Plant Razed By Fire

Fire, of an as yet yet undetermined origin, razed the plant of Litton Engineering Laboratories at 551 Eaton avenue, Redwood City, shortly after midnight November 26; causing damage estimated at approximately \$250,000.

The firm which manufactures electronics industry equipment and vacuum-tube products, reportedly played a prominent but secret part in the United States war effort, in the production of electronic and radar items.

The plant is located approximately a half-mile beyond the Redwood City limits. During the war, Litton Laboratories was awarded the Army-Navy pennant for excellence, with two stars for repeated production performance.

Officials of the firm announced that they would continue in business, having already placed orders for replacements for the destroyed and damaged machinery and fixtures.

With his next move to be that of appealing the Appellate Court's reversal of Superior Judge Andrew Schottky's decision in his favor, James G. Reardon, ousted Chief of Police, is preparing today to carry his case to the State Supreme Court.

"The real fight," he stated, "is just beginning."

Beginning with an action on the part of a faction within the Daly City council, Reardon's ouster was originally labeled as "illegal" by Mayor Gaggero, whose belief was supported by Judge Schottky's decision; in which he stated that "to hold that the council could act as a board of review in the matter of any appeal by an employee of the city, removed by it, would in the court's opinion make a mockery out of civil service in Daly City and would defeat the very purpose of the civil service law."

The decision was reached by Judge Schottky, who never before has been reversed in the higher courts, after exhaustive study of all elements in the case. The main issue being, of course, the illegality of the procedure used in discharging Chief Reardon.

Reardon was ousted from office on June 26, 1944, on charges of "insubordination and failure to observe the rules and regulations of the police department."

Judge Schottky pointed out in his opinion it was contemplated by the civil service ordinance adopted by Daly City in 1936 that a board of review should be appointed by the council, "because no system could properly be called a civil service system with the right of an employee to a review, if the council could discharge a civil service employee under its jurisdiction and then itself act as a board of review in an appeal from its own act in discharging the employee."

"The court can reach no other conclusion than one that there was no course of review to which petitioner could have appealed and that until such a board of review was in existence the council had no right to remove the petitioner, who was a civil service employee, from office."

"To hold that the council could act as a board of review in the matter of any appeal by an employee of the city removed by it, would in the court's opinion make a mockery out of civil service in Daly City, and would defeat the very purpose of civil service law."

Reardon's attorneys in the matter were Bullock and O'Connor. City Attorney F. E. Hoffman and John W. Colebred represented the City of Daly City.

Calumet Council Nominates Officers

Calumet Council, No. 66, Degree of Pocahontas, met on November 27, at the Swedish-American hall, 2174 Market street, for the purpose of nominating chiefs.

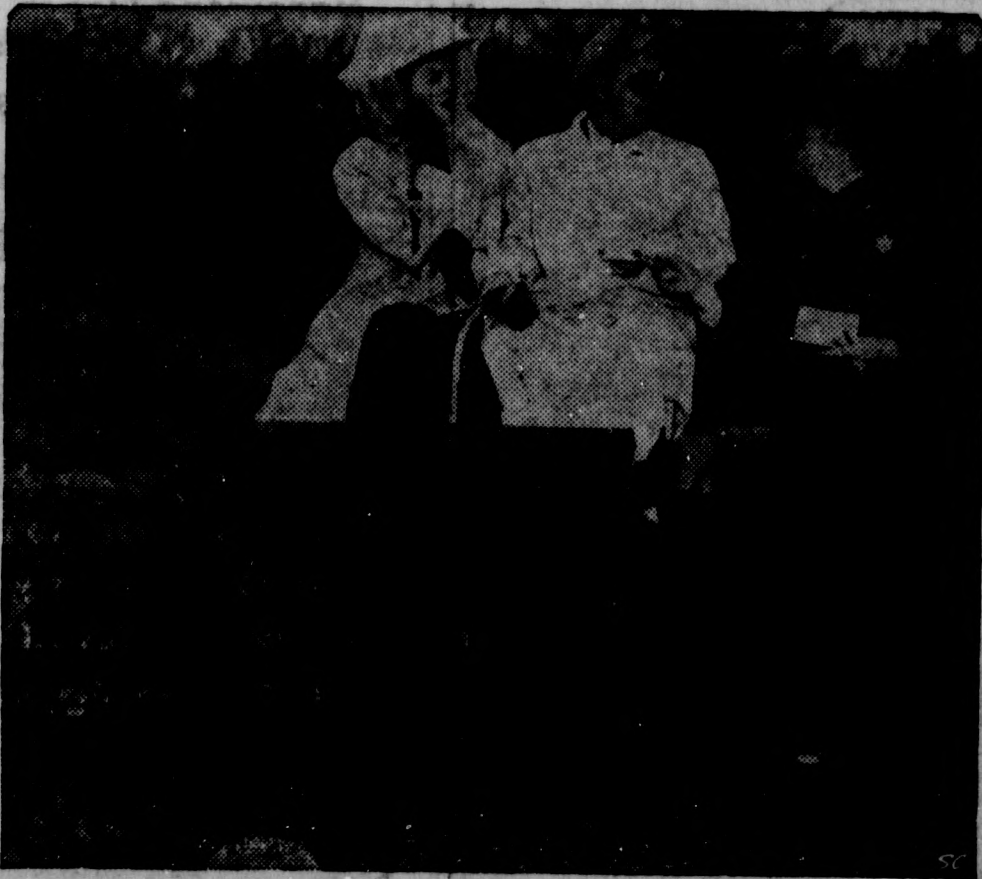

Those so nominated were: Pocahontas, Florence Howatt, Wenona Singer; Prophet, Anna Engenlath; Powhatan, Nora Fuller; first trustee, Ida Wilson.

Final plans for the Christmas party, scheduled for December 11, were also made at this meeting.

Catholic Ladies Monthly Whist

The monthly whist game sponsored by the Catholic Ladies Aid Society Branch 59 of St. Michaels Parish, 32 Broad street, will be held Wednesday, December 5, at 2 p. m.

Turn of the Century Speed Demons

"Tell it to the judge!" Traffic Cop Pat Buttram, National Barn Dance humorist, gives a ticket to his protesting hayloft colleagues, Lulu Belle and Joe Kelly, who have been "burning up the asphalt" in the Chicago Museum of Science and Industry's 1902 model "Old Scout."

CHRISTMAS SEALS

The annual sale of Christmas seals now in progress affords every one of us an opportunity to help in the fight against tuberculosis.

Ever since 1907 when the Christmas seals were first sold, the money contributed has aided enormously in the humanitarian effort to combat this disease. Thousands of children and adults have been helped and restored to normal, healthy lives. The underprivileged have been given aid which they would otherwise have been denied because of the expense involved.

When you buy Christmas seals you not only contribute to the physical well being of the Nation but you give expression to the good will toward our fellow men and the hope for a better world which are the very essence of the Christmas spirit.

Don't fail to buy yours today.

"BIG SHOW" BEGINS

Twenty top Nazis who swaggered arrogantly through more than a decade of the world's bloodiest history have finally gone on trial to answer for the death of some 20 million persons who died as a direct or indirect result of their intrigue, treachery and torture. Their swagger is gone, their arrogance vastly diminished. The realization that their own lives are now at stake has had a sobering effect on these men who thought so little of human life—when it concerned others. Conspicuous by his absence is Adolf Hitler. Also absent, but less conspicuous since he was less known is Martin Bormann, Hitler's right hand man, who is now thought to have been the real "power behind the throne." It is believed that he died with Hitler in the last days of Berlin. The precedent-making trial was six months in preparation and it will take several months to carry it through. Swift justice is desirable, but—slow or swift—justice!

REBUILD PANAMA CANAL?

It's the atom bomb again! Now, according to a study by the House Merchant Marine Committee, the United States may have to rebuild the Panama Canal in order to make it less vulnerable to this new destructive force. Principal change would be in the elimination of the locks which make the waterway particularly susceptible to damage from air attacks. Changing it to a sea-level canal would also enable some of our biggest aircraft carriers which now can't squeeze through the locks to use the famous 50-mile water link between the two oceans. Further work on an additional set of locks, for which the excavation work has already been completed, may be halted until a study of the situation can be made in the light of atomic developments. It may be found that the only practical answer is to undertake the construction of the long-proposed canal across Nicaragua which takes advantage of the 45-mile wide Lake Nicaragua. At least, we would have the satisfaction of knowing that it would take more than one atomic bomb to put both canals out of commission. Or would that be much satisfaction?

JAP UNDERGROUND

Reports from the Orient declare that the Japs are going underground—in China—in preparation for the revival of their military power. One secret organization formed in Shanghai about the time that Tokyo capitulated is said to have a membership of 3,000 former Nip army officers and enlisted men. The purpose of at least one secret society is to foment further Chinese civil strife. American officers in China say they are handicapped in trying to stamp out these activities because they have not been given necessary authority from Washington. There seems little likelihood that the Jap underground could make any appreciable progress toward the restoration of Japanese military power, but we should not be indifferent to the militaristic seeds now being planted for a possible future harvest.

ANOTHER RECORD

Remarkable achievements in the air lanes of the world are coming so thick and fast in these days that they hardly attract more than passing notice in the news wires. The latest addition to the list of records is the new non-stop distance mark of 8198 miles set by a B-29 in traveling from Guam to the Nation's capital. This surpassed by more than 1,000 miles the old record established in 1938 by British aviators in a flight from Egypt to Australia. The day when planes will be able to fly around the world non-stop is fast approaching.

Colma Young Ladies
Plan Xmas Activity

The Colma Young Ladies Institute held a regular meeting on November 27, at which time plans were made for entertaining the Alberian Institute at a Christmas social.

The committee includes Mary Belli Leonore Varni, Gertrude Stanghellini, LaVerne Marlow, Helen Carey, and Mae Varni.

Father Sorassio thanked the members for their splendid cake booth at the bazaar on November 17.

President Imelda Laramie announced that the officers will meet at her home on Tuesday, December 4.

Mary Belli reported on the lovely time the group enjoyed as guests of the Alberian Institute on November 14.

November birthday anniversaries were celebrated during the meeting.

"Hold 'Er Newt"
On Them Thar Hills

Quite a few persons are learning, to their sorrow, that a combination of inclement weather, steep streets, and improperly locked wheels at curbs, add up to a visit in traffic court and a depleted pocket book.

Since the passing of the new "hill hold" ordinance the following drivers have received citations for violations of the regulations pertinent thereto:

Elmer Peitens, \$2.50; Fred Peters, Oscar Strong, Joseph Walker, D. Baralles, J. Ahern, Einer Olson, Cliff Cottrell, all paid \$1.50; J. Parker and John Tetta, each \$1.00.

Failure to observe signals cost the following \$2.50 each: James Halsey, George Rankin, J. R. Children, and James Cagle.

James Marino, standing in prohibited area, \$2.50; Larry Heath, speeding, \$2.50; Fred Bicker, speeding, \$2.50; also on charges of excessive speed, Earl Wilson, \$5; Arthur Taylor, \$15; Norman Gray, \$7.50; Thomas Luster, \$5; for passing on the left side of a street car zone, Martin Waschau was assessed \$5.

Eleven Become
Citizens Friday

Eleven residents of San Mateo county became citizens after their appearance Friday afternoon in superior court in Redwood City, as petitioners approved by the citizenship examiners.

Among the eleven was Carlotta Gregori of Daly City. Others included James Gillespie and Alberto Tardito of South San Francisco, Anne Armstrong of San Bruno, John Grant of Burlingame, Fred Rossi and Frances Walker of San Mateo, Benedetto Assenza and Auguste Lousta of Menlo Park, and Elsie Lewis of North Palo Alto.

Shoe Repair

You will find that prompt repairing keeps a new look on your shoes. Have lifts replaced before the heels are worn down, and the shoe resoled before the inner sole is worn. Have rips mended before they have a chance to spread.

Origin of Stamps

England was the first country to establish a uniform charge for a letter forwarded to any part of its home domain, the charge was two cents and became effective in 1840. The first U. S. stamp was issued in 1847.

NOTES FROM JEFF HI

By Hazel Hendrickson

'Big Top' Dance a Success

Clowns, animals, and side show freaks helped put the "Big Top" dance over as a great success. Three hundred and fifteen tickets were sold to Jefferson students and outsiders, and 35 alumni were put on the guest list. As an added attraction during the dance, magic bubbles were blown by members of the entertainment committee to put over the effect of balloons.

The entertainment committee wishes to thank you students for getting into the school spirit and putting over this dance. Also our hats off to Mrs. Anderson's art class for the colorful and original posters.

G. P. A. L. Inter Club Swimming Meet

On Thursday, November 8, the GPAL swimmers had their second meet among themselves; but this time they were divided into clubs instead of classes. Each event was given a total of nine points, except the relay for which a total of ten points was given. The first place winner was given five; second, three; and the third one point. These points were added to make the final score.

Club II, 39 points; Club I, 29 points; Club III, 26 points; Club IV, 22 points.

G. P. A. L. Tennis Matches Begin

After school GPAL tennis matches began last week with great enthusiasm. There are 43 girls going out for tennis. These are divided into seven clubs and club seven is on top with the score of 15 points, with clubs one and two running close by with ten points.

The members of club seven are G. Bacigalupi, W. Filarski, A. Goodson, R. Miller, J. Noble, M. Castilan, A. Lowry, and I. Sadler. Janet Peterson and La Verne Torkelson are the managers.

In order to win a match the girls have to win two out of three sets, six games to win a set and two out of three sets to win a match.

Here's to the Printing Staff

Who should take a big bow? None other than the printing staff of the Totem Pole. Although Mrs. Reandean was obliged to be absent on account of illness while the rush was on for the last issue of the Totem Pole and although some of the duplicating machines were out of order, the printing staff saw to it that the paper was printed. "Let's give them a big hand."

Since the members of the Totem Pole staff are in favor of trying quarterly changes in the editorship and since Dick Johnke wishes to devote full time to his job of sports editor, Betty Pistohl has become editor of the Totem Pole, Colleen Robin is now co-editor and Clarence deLannoy is in charge of clubs and departments.

Tens Win from South City; Twenties Forfeit Game

Playing their last league game Thursday, November 15, Jeff's 110 and 120 cagers split with South City. The 10's came out on top in a close game, 18 to 17. The 20's forfeited because they lacked players; therefore, the score was South City 2, Jefferson 0.

Lineup for the 10's were Silaccia and Laumond, forwards; Micheletti, center; Attenisia and Stanghellini, guards. In an election before the game Micheletti became team captain. Substitute was Rud.

The game was hard fought by both teams during the whole four quarters. With about 20 seconds to go, South City was ahead of the 10's, but a shot by Arthur Rud as the final buzzer was ringing, won the game for Jefferson.

Starting lineup for the 20's was Barros and Harju, forwards; Robinson, center; E. Gigli and Shannon, guards. Shannon was elected team captain. Four of the seven players on the squad 'fouled out' leaving only three players; so Jeff's team had to forfeit. The forfeit score was 2-0.

Indians vs. Panthers

Jeff's defenders of the Purple and Gold met the Burlingame Panthers Thursday, November 15. Burlingame, favorites to win the game, scored twice in the first quarter. The Panthers' fullback scored both touchdowns on short plunges over the Indian line. The Indians were greatly handicapped by fumbles and penalties throughout the game.

Burlingame's opening scores both came after the Indians fumbled deep in their own territory. But in the second quarter the Indians advanced deep into the Panthers' territory. Tikkanen plunged over from the five yard line when he was unable to find a receiver in the clear. Tikk's conversion was blocked, but Grimes picked up the rolling pigskin and plunged over the goal for the extra point. Again late in the second quarter, Grimes intercepted a Burlingame pass and the Indians were on the march. They finally were halted on the 12-yard line as the gun sounded ending the half.

The second half was dull and uninteresting without any spectacular playing from either team.

Jeff's aerial circus really was clicking during the second quarter. Seiler, Mossi, and B. Plyer brought down long accurate passes heaved by Tikk. Jeff's passing offensive is one of the best in the P.A.L.

Starting lineup: Mossi, L. E.; Milano, R. T.; Morgan, C.; Janssen, L. T.; Rutherford, L. G.; Odell, R. G.; Tromborg, R. E.; Seiler, Tikkanen, Plyer and Grimes in the backfield.

Inter-School Athletics are School's Responsibility

Speaking of the regrettable incidents that followed the game with Burlingame, Thursday, Superintendent Hannah gave a sportsman-like and definite talk to the student body, stressing the things that all of us should do in order that we may have the kind of team we would like to have and the JUHS may have the kind of reputation it should have.

Common sense and CIF rulings tell us that we were wrong, because, since the game was played here, we were the hosts and Burlingame students were our guests. Our responsibility as guest prevails when our team plays elsewhere. The CIF includes all the high schools in California except Oakland and its authority over inter-school athletics is absolute as to eligibility, insurance, etc. The P.A.L. is one league of nine schools of the north coast section. It makes the league policy and imposes all penalties.

Jeff, as well as any other school, wants a team of good sports who are courageous enough to refuse to be downed even if they lose every game. The whole school must take the right mental attitude, believe that their team will win and must support their team, rooting for them even when they are losing.

"The purposes of inter-school athletics," continued Mr. Hannah, "are to teach the boys co-operation, loyalty to the team, the coach, and the school, determination, a sense of fair play, quick thinking, and to develop muscular co-ordination, good health habits, and good school spirit."

Mr. Hannah expressed confidence in most of the student body's disapproval of the after-game episode of Thursday and impressed all of his audience with the truth that the earnest opinion of the student body can compel the kind of conduct it wants at games and elsewhere. He blamed a few hangers-on as the instigators of the affair and recommended a friendly spirit all through the game, a prompt going home after the game and then forgetting of incidents. He expressed belief that the Jeff team could win the next two games. So do we all.

AIDS BOTTLE DRIVE—Shapely Elaine Langan, 20th Century Fox starlet, is shown surrounded by milk bottles she collected in dairy industry's campaign to round up 10,000,000 missing glass containers. Shortage has become critical due to the return of troops.

WAR BONDS and STAMPS

Enrico Bertini Writes From Orient

Enrico Bertini, son of Mrs. Carl Elbert Potter, 220 Hilside boulevard, who enlisted in the Navy on November 27, 1942, has just written the following letter to the Record while "Underway to Japan." Rico was a student at Jefferson Union high school, and went into vital war work before entering the service of his country.

The Record is pleased to publish this young man's interesting account of his activities in Oriental territory:

November 17, 1945. "Underway to Japan"

Dear Editor:

I have meant to drop you a few lines a long time ago, to express my "thanks" for the Records you have sent me in the past. I was very sorry indeed to hear that the Navy has put on the clamps on sending newspapers overseas to the boys in the service. But it didn't stop me, for my mother sent me clippings from your paper regularly, and it is most enjoyable to read them for it makes me feel close to home, and takes my mind off my troubles. Also it takes many things off my mind when I sit down and relax while reading the Record. Thanks again for sending the Record to me, and I'm looking forward to reading it regularly again once I'm discharged; as yet I have not completed my time in the service, for my points. Only have five more months to go, and I'll be singing "Happy Days Are Here Again."

Right now I'm sailing in the East China Sea, on our third day out from Okinawa, heading for Sasebo, Japan. It will be there where we continue our work of the past of drydocking minesweepers and other craft which do patrol duty around here ... clearing the sea lanes for safe travel.

As to how long we'll be here, I do not know, but I hope it's short so we can head for home. One thing I'm happy about is that we got away from Okinawa and its typhoons. I rode through two of them in Buckner Bay, and after that last one, I wouldn't like at all to go through it again.

I must drop anchor here, so I hope this letter will find you and your staff in the best of health; I will drop in to see you once I get back home. I remain,

As ever, Rico Bertini.

No. 39614
In the Superior Court of the State of California, in and for the County of San Mateo.

OSWALD R. THOMAS, Plaintiff, vs. EMMA O. THOMAS, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

The People of the State of California Send Greetings to:
EMMA O. THOMAS, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 15th day of November, A. D. 1945.
(Seal) W. H. AUGUSTUS, Clerk.

By ALMA PAGANINI, Deputy Clerk.

Sturdy Beauty

GOLDEN, beaver-like Laskin mouton returns to the fashion world after two years duty with the armed forces. The sleek, seven-eighths topper selected by CBS actress Vivian ("Romance of Helen Trent") Barry belies its budget price in styling usually associated with much more expensive furs. Especially processed to withstand rain, snow and dampness, this hardy fur is suitable for all occasions from morning to night.

Crocker Bazaar In Masonic Hall

The Crocker PTA annual bazaar will be held on December 7, between the hours of 10 a. m. and 6 p. m., in Masonic hall.

There will be variety of interesting booths; a lunch will be available, and the public is cordially invited to attend.

All chairmen for the event are requested to come to the hall on Wednesday, December 5, to prepare for the event. Selection of booth positions will be made at this time.

FOR SALE—Puppies. 130 Peoria Street.

FOR SALE—Bed-Divan, slightly used. \$25.00. Call after 5 p. m. 247 Wilson street.

Dollar Power Is Prosperity Gauge

The buying power of the farmer's dollar is the index of his prosperity, the OPA points out.

In October farmers received 114 per cent of parity prices. This prosperous condition is the result of price control, A. B. Mueller, San Francisco District Price Executive of the office of Price Administration, stated. Mueller explained as follows:

"Things the farmer buys were placed under price control in 1942 after they had advanced most of the way to the present increase of 59 per cent.

"Farm products were permitted to rise in prices until May, 1943 scoring an advance of 102 per cent, and attaining the level of 100 per cent of parity.

"During the first world war prices of farm products shot up to levels that looked fine to the farmer, but because the things he had to buy skyrocketed much higher his parity position dropped steadily from 118 per cent to 104 per cent, and collapsed to 75 per cent when the crash came in 1920 bringing ruin to 453,000 farmers."

Price control and price control alone, Mueller stated, can prevent a repetition of that debacle after this war.

Small Temperature Loss

When you open and close the door to your refrigerator, you lose very little of the "cold"—much less than most people think. In fact, engineers found by test that opening a large-size refrigerator the same number of times a home freezer is opened each day—even in air as hot as 90 degrees—increased the electricity consumed by less than 2 per cent.

These Positions At United Air Lines Are Permanent

What's more, as an employee of United Air Lines, you are entitled to important benefits, some of which are half-fare air travel, vacations with pay, insurance plan, periodic wage review, and a retirement plan.

Apply at San Francisco Airport, Bayshore Blvd. at San Bruno Ave., or 421 Powell Street, San Francisco.

UNITED AIR LINES

You'll feel like singing... IT'S "GOOD, GOOD, GOOD"

Here is a smart, new necessity for your home. It is this trim, slim, chromium-grilled electric heater for the bathroom. A snap of the switch and it pours forth a flow of radiant sunny heat. Step out of a bath and stand by this full-length electric heater and you become wrapped in warmth from head to foot. These new electric heaters are easily installed in the wall—safe, out-of-the-way and are sturdily built for a lifetime of service.

For any hard-to-heat room—a den, a basement room or workshop—you can now buy a modern quick-acting electric heater that plugs into a wall outlet and operates with a money-saving thermostat heat control. These electric heaters put forth abundant heat in a few minutes.

Here is another wall-insert electric heater that is growing in popularity for bathrooms, bedrooms and dens, too. It is small in size but big in heat output and circulates and radiates heat in a hurry. And it will last-out the life of any home.

Come in and look over these modern electric heaters today.

Summons

No. 39620

In the Superior Court of the State of California, in and for the County of San Mateo.

LOUISA CHELONE and ALBERT BERNARDINI and LILLIAN BERNARDINI, his wife, Plaintiffs, vs. ALL PERSONS UNKNOWN, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

ALL PERSONS UNKNOWN, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto.

YOU AND EACH OF YOU are hereby directed to appear and answer the complaint of the above named plaintiffs, and each of them, on an action entitled as above brought against you in the Superior Court of the State of California in and for the County of San Mateo, within ten days after service on you of this Summons if served on you within said county; or within thirty days if served elsewhere.

The action is brought to determine the adverse claims to and clouds upon the following described pieces and parcels of land, each of them lying and being in the County of San Mateo, State of California, and more particularly described as follows, to-wit: Parcel One, Count One of the Complaint:

Lots numbered five (5), six (6), seven (7) and eight (8) in Block 13, as per Maps of the Lands in the Clark Tract Homestead Association on file in the office of the County Recorder of San Mateo County, excepting therefrom the following portion thereof, to-wit: Portion of lots numbered five (5), six (6), seven (7) and eight (8) in Block numbered thirteen (13) as shown on that certain map entitled "Clark Tract Homestead" which map was filed in the office of the County Recorder of San Mateo County on August 13, 1870 in Book 1 of Maps at page 10, described as:

BEGINNING at the point of intersection of the southerly line of "E" Street with the Westerly line of Clark Avenue; thence Westerly along said line of "E" Street 100 feet to the Westerly line of said Lot 5; thence Southerly along the Westerly line of Lot 5, 40 feet; thence Easterly parallel with said line of "E" Street 100 feet to said Westerly line of Clark Avenue; thence Northerly along said last named line 40 feet to the point of beginning.

Parcel Two, Count Two of the Complaint:

Portion of Lots numbered five (5), six (6), seven (7) and eight (8) in Block numbered thirteen (13) as shown on that certain Map entitled "Clark Tract Homestead" which map was filed in the office of the County Recorder of San Mateo County on August 13, 1870 in Book 1 of Maps at page 10, described as:

BEGINNING at the point of intersection of the Southerly line of "E" Street with the Westerly line of Clark Avenue; thence Westerly along said line of "E" Street 100 feet to the Westerly line of said Lot 5; thence Southerly along the Westerly line of Lot 5, 40 feet; thence Easterly parallel with said line of "E" Street 100 feet to said Westerly line of Clark Avenue; thence Northerly along said last named line 40 feet to the point of beginning.

It is alleged in the First Count of the complaint filed in said cause that plaintiff Louisa Chelone claims that by herself or by herself and her predecessors in interest she has been and is in actual, exclusive and adverse possession of the real property described above under Parcel One, Count One, prior to the filing of said complaint, and said Louisa Chelone claims to own the same in fee against the whole world and to have paid all taxes of every kind levied or assessed against the said property during the period of five years continuously next preceding the filing of the said complaint.

It is alleged in the Second Count of the complaint filed in said cause that the plaintiffs, Albert Bernardini and Lillian Bernardini, his wife, as joint tenants, by themselves or by themselves and their predecessors in interest

LEGAL ADVERTISING

they have been and now are in the actual, exclusive and adverse possession of the piece and parcel of land described above under Parcel Two, Count Two, for twenty years prior to the filing of the said complaint, claiming to own the same as point tenants in fee against the whole world and to have paid all taxes of every kind levied or assessed against said parcel of real property during the period of five years continuously next preceding the filing of the said complaint; and

You are hereby notified that unless you appear and answer as above required the said plaintiffs and each of them will take judgment for any money or damages demanded in the complaint, as arising upon contract, or will apply to the court for any other relief demanded in the complaint, including the quieting of the title of plaintiff Louisa Chelone in and to the real property described under Parcel One, Count One above, and the quieting title of the plaintiffs Albert Bernardini and Lillian Bernardini, his wife, as joint tenants, in and to the property described under Parcel Two, Count Two, above.

GIVEN under my hand and seal of the Superior Court of the County of San Mateo, State of California, this 16th day of November, 1945.

(Seal) W. H. AUGUSTUS, Clerk.

By ALMA PAGANINI, Deputy Clerk.

(Pub. Nov. 29; Dec. 6, 13, 20, 1945.)

Notice of Hearing

NOTICE IS HEREBY GIVEN: That the County Planning Commission of the County of San Mateo, State of California, did, by resolution thereof, adopted at a regular meeting thereof, held on the 16th day of November, 1945, after following the procedure specified by law, approve a certain amendment to Ordinance No. 400 of said county, being the Land Use Plan Ordinance of the County of San Mateo, and did adopt the same as an amendment to the Master Plan of said county, and did recommend that the Board of Supervisors of said county adopt said proposed amendment, which amendment is as follows, to-wit:

That Ordinance No. 400 of the County of San Mateo, State of California, be amended so as to include within C-2 district, property located on the west frontage of Junipero Serra Boulevard between 91st Avenue and 92nd Avenue in Colma, in order to allow the operation of a nursery; which property has heretofore been included in R-2 district as said amendment is shown on a map entitled, "Proposed Amended Section 12as of the Land Use Plan Ordinance of San Mateo County," a certified copy of which map is on file in the office of the Secretary of said Planning Commission at the Court House, Redwood City, California.

NOTICE IS HEREBY FURTHER GIVEN: That said Board of Supervisors in regular meeting assembled on the 20th day of November, 1945, did set a certain time and place for a public hearing on said proposed amendment, at which time and place all persons interested therein may appear and be heard thereon, which time and place is as follows, to-wit:

At the hour of 11 A. M., on the 18th day of December, 1945, in the Chambers of the Board of Supervisors in the Court House, Redwood City, California.

W. H. AUGUSTUS, County Clerk and Exofficio Clerk of the Board of Supervisors of the County of San Mateo, State of California.

(Pub. Nov. 29; Dec. 6, 1945.)

Notice of Sale of Real Estate

No. 7812—Dept. No. 2

In the Superior Court of the State of California, in and for the County of San Mateo.

In the Matter of the Guardianship of the Person and Estate of EDNA HARRISON, a Minor.

NOTICE IS HEREBY GIVEN by Edward T. Harrison, as Guardian of the Person and Estate of Edna Harrison, a Minor, that he will, as such Guardian, sell to the highest bidder, at private sale and subject to the confirmation of the Superior Court of the State of California, in and for the County of San Mateo, all the right, title and interest of Edna Harrison, a minor, and all of the right, title and interest that the estate of said Edna Harrison, a minor, has by operation of law or otherwise acquired, in and to the following described property:

PARCEL ONE:

All that certain real property situate in the County of San Mateo, State of California, described as follows:

BEGINNING at a point on the northwesterly line of lands described in Deed from James J. Fagan and wife to Lawrence J. Steinhardt and wife, dated July 3, 1928 and recorded July 9, 1928, in Book 363 of Official Records of San Mateo County at page 352, where it is intersected by the northeasterly line of the County Road leading from Redwood City and Woodside to Searsville (now known as Whisky Hill Road), as said northeasterly line of said road was established by the County Engineer of San Mateo County in 1945; thence along said northeasterly line of said road, North 16° 29' 30" West 546.43 feet; North 33° 33' 30" West 291.95 feet to the intersection of said northeasterly line and the southeasterly boundary of the land described in Deed to Edith McD. Chamberlain, wife of Selah Chamberlain, by William Wallace Mein and Frances W. Mein, his wife, recorded April 15, 1927 in Book 289 of Official Records of San Mateo County at page 425; thence along said southeasterly boundary line the following courses and distances: North 65° 37' East 298.37 feet to an old 2" x 2" hub; South 89° 59' East 169.00 feet; North 35° 01' East 160.00 feet; North 46° 01' East 115.50 feet; North 42° 31' East 135.00 feet; South 68° 29' East 57.00 feet; North 68° 01' East 69.00 feet; North 53° 01' East 56.00 feet; North 79° 11' East 107.00 feet; North 59° 31' East 130.50 feet; South 75° 29' East 74.00 feet; North 15° 01' East 72.90 feet; thence South 85° 29' East 65.80 feet to a point in the northeasterly boundary of the land described in Deed to James J. Fagan above mentioned; thence southeasterly, along said northeasterly boundary line, South 23° 05' East 145.06 feet to a 6" x 6" concrete monument; thence along the southeasterly boundary of the land described in said Deed to James J. Fagan; South 42° 37' West 281.89 feet to an iron pipe monument; thence along the southwesterly line of said property deeded to Fagan, North 57° 01' West 445.47 feet to an iron pipe monument; thence continuing along the line of said Fagan property, South 49° 26' West 140.00 feet to the most easterly corner of the land described in Deed to Lawrence J. Steinhardt and his wife above mentioned; thence along the northeasterly and northwesterly boundary thereof, North 16° 20' 40" West 243.34 feet; thence South 73° 39' 20" West 784.75 feet to the point of beginning. Containing 35.07 acres, more or less.

PARCEL TWO:

All that certain real property situate in the County of San Mateo, State of California, described as follows:

A strip of land 20 feet wide, lying northeasterly and southeasterly of and running along the northeasterly and southeasterly line of the Ole Johnson 2.28 acre tract, as described in Deed recorded in Book 82 of Deeds at page 88, Records of San Mateo County and extending from the center line of the County Road from Redwood City to Woodside, as same existed prior to 1914, to the southerly line of the 13.40 acre tract, described in Deed to Ole Johnson, recorded July 1, 1909 in Book 166 of Deeds at page 512, Records of San Mateo County.

The said sale will be made on or after Saturday, the 8th day of December, 1945, and offers or bids for said property must be in writing, and will be received at the office of Crocker First Na-

Summons

No. 39555

In the Superior Court of the State of California, in and for the County of San Mateo.

JOSEPHINE GABRIEL, Plaintiff, vs. ANNIE JANE BADGLEY, BURNS McPORTLAND, ELIZA M. EVERETT, and "also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint, adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto," Defendants.

Action brought in the Superior Court of the County of San Mateo, State of California, and the complaint filed in the office of the County Clerk of said County. JAMES O'GARA, JR., Attorney for Plaintiff.

The People of the State of California send Greetings to:

ANNIE JANE BADGLEY, BURNS McPORTLAND, ELIZA M. EVERETT, and "also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint, adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

YOU ARE HEREBY NOTIFIED that an action has been commenced against you in the above entitled court by the above named plaintiff for the purpose of determining all adverse claims to and clouds upon the title to all of that certain real property described as follows, to-wit:

All that certain real property situate in the County of San Mateo, State of California, described as follows:

Lots 1, 2, 3, 4, 5, 44, 45 and 46 in Block 6, as designated on the map entitled, "THE SEVENTY-FIVE DOLLAR LOT HOMESTEAD ASSOCIATION," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on October 3, 1870, in Book "E" of Maps at page 63, and a copy entered in Book 1 of Maps at page 6.

You are hereby directed to appear and answer the complaint in an action entitled as above brought against you in the Superior Court of the County of San Mateo, State of California, within ten (10) days after the service on you of this summons if served within this county; or within thirty (30) days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiff will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand and the seal of the Superior Court of the County of San Mateo, State of California, this 3rd day of November, 1945.

(Seal) W. H. AUGUSTUS, Clerk.

By ALMA PAGANINI, Deputy Clerk.

James O'Gara, Jr., Attorney for Plaintiff, 111 Sutter Street, San Francisco, California. Telephone: GARFIELD 0288.

(Pub. Nov. 22, 29; Dec. 6, 13, 1945.)

Color Gauge

Films, like those of oil on water sometimes seen on wet streets, afford scientists a valuable thickness gauge by the color they reflect. A thin film of oil on water has a yellow color when the film is six millionths of an inch thick, red for seven millionths and blue for eight millionths. By using this information a color gauge has been devised for measuring to millionths of an inch.

OFF THE BLOTTER

On November 29, at approximately 3:25 p. m. the cars driven by Gust Erickson, 929 Haight street, San Francisco, and Walter Jepson, of Coquille, Oregon, were involved in an accident in front of 1875 Junipero Serra boulevard. There was some property damage, and Mrs. Erickson was taken to the Junipero Serra hospital by officer Petrocchi where she was treated for bruises on her left arm.

Mrs. Chessnutt, manager of the St. Vincent De Paul store, reported to police on November 19, that the store had been entered for the third time in a period of approximately four months. A pocket watch was stolen. Entry was made at some time between closing hour on Saturday night, and early Monday morning.

On Thanksgiving Day, James Bass, 6628 Mission street, reported that a small white dog had bitten him on his right leg; he was in front of 6630 Mission street when the incident occurred. At 5 p. m. the dog was located and impounded.

Friday morning, November 23, James Maravellis, 8, of 127 Wellington avenue was standing in front of the Daly City Creamery. A small dog bit him on the thigh. Officers Petrocchi and Sundermann took the boy to the Junipero Serra hospital for treatment. He was later sent home.

Bert Silicani found a jet black horse wandering around Daly City on Friday, November 23. Of course, horses probably have as much right to wander around our fair city as some people, but it was a bit disconcerting to say the least, so the animal was taken out to the Hollywood Stables in Colma. Later he was recovered by Jack Mathews, of 167 Alleson street.

Miss Minnie Troche, 113 School street, reported the theft of her '41 Pontiac from in front of her home about 8:30 p. m. on Friday, November 23. Officer Benassini recovered the car approximately 25 minutes later at the corner of Alemany and Market.

Last Wednesday, November 21, little Jerry Brown, 5, of 72 Willits street, gave his folks a real scare by swallowing a nickel. He was rushed to the Junipero Serra hospital, by Officers Petrocchi and Sundermann, where the attending physician succeeded in removing the nickel. The boy and his parents were then taken to their home in the police car.

Shortly before midnight of November 17, Howard S. Gilbert, of Amarillas, Texas, with Lloyd and Beryl Smithers, of 2158 Sutter street, San Francisco, were injured in a fall from a motorcycle at the corner of San Jose avenue and Goethe street.

All three were taken to the Junipero Serra hospital for treatment. The Smithers were subsequently released by the hospital, but due to a more serious condition Gilbert was held for further attention.

Shortly before midnight on November 18, the cars driven by Alfred Frank Hornick, 163 Willits street, and Warren S. Nelson, 37 Ridden street, San Francisco, were involved in an accident in front of 6250 Mission street.

Hornick's bail was set at \$100, and he was ordered to appear before Judge Sweeney on November 23, at which time the charge was reduced to reckless driving and a fine of \$25 imposed.

Ear Versatile Organ

The human ear is a versatile organ, able to hear very faint sounds or noises millions of times louder. The remarkable adaptability of the ear may be grasped by imagining a scale delicate enough to weigh a pin and at the same time strong enough to weigh three battleships with a total weight of 100,000 tons!

Wheeled Hoe

The rotary weeder or wheeled hoe is rapidly increasing in popularity for use in cultivated crops. It is an ideal tool for breaking the crust and providing a surface mulch. Another tool equally popular is the toothed weeder, wheel mounted, or in one instance, attached to the hydraulic lift of the tractor.

White Shoes

If white shoes are cleaned with a liquid dressing, clean them off, not on the feet, and let them dry thoroughly before wearing. Because leather is weak when wet, shoes worn when moist from cleaning may stretch out of shape. Have shoes stuffed with tissue paper during cleaning and drying to help them hold their shape. A white polish that contains a dry cleaning element as benzene is bad for leather. It dries out the natural oils and causes leather to crack. Such polishes are excellent for fabric shoes, hats and bags.

Sea Shell Echo

Still another of the cherished beliefs of childhood has been punctured by the advance of science. This one is the theory that when you hold a sea shell to your ear you are listening to the ocean's roar. Actually the sound you hear is a selection of certain tones from the general noise which is always present in our everyday life, and an echoing of these tones by the sea shell due to its size and shape.

STYLE TALKS IN RATION TERMS

Newsy print taken directly from the headlines reads significant character into the salmon blouse designed by CBS singing star Helen ("Dick Haymes Show") Forrest to top a slender skirt. Black braid frogs at belt and high frilled neckline give an exciting closing line to Helen's "ration" story.

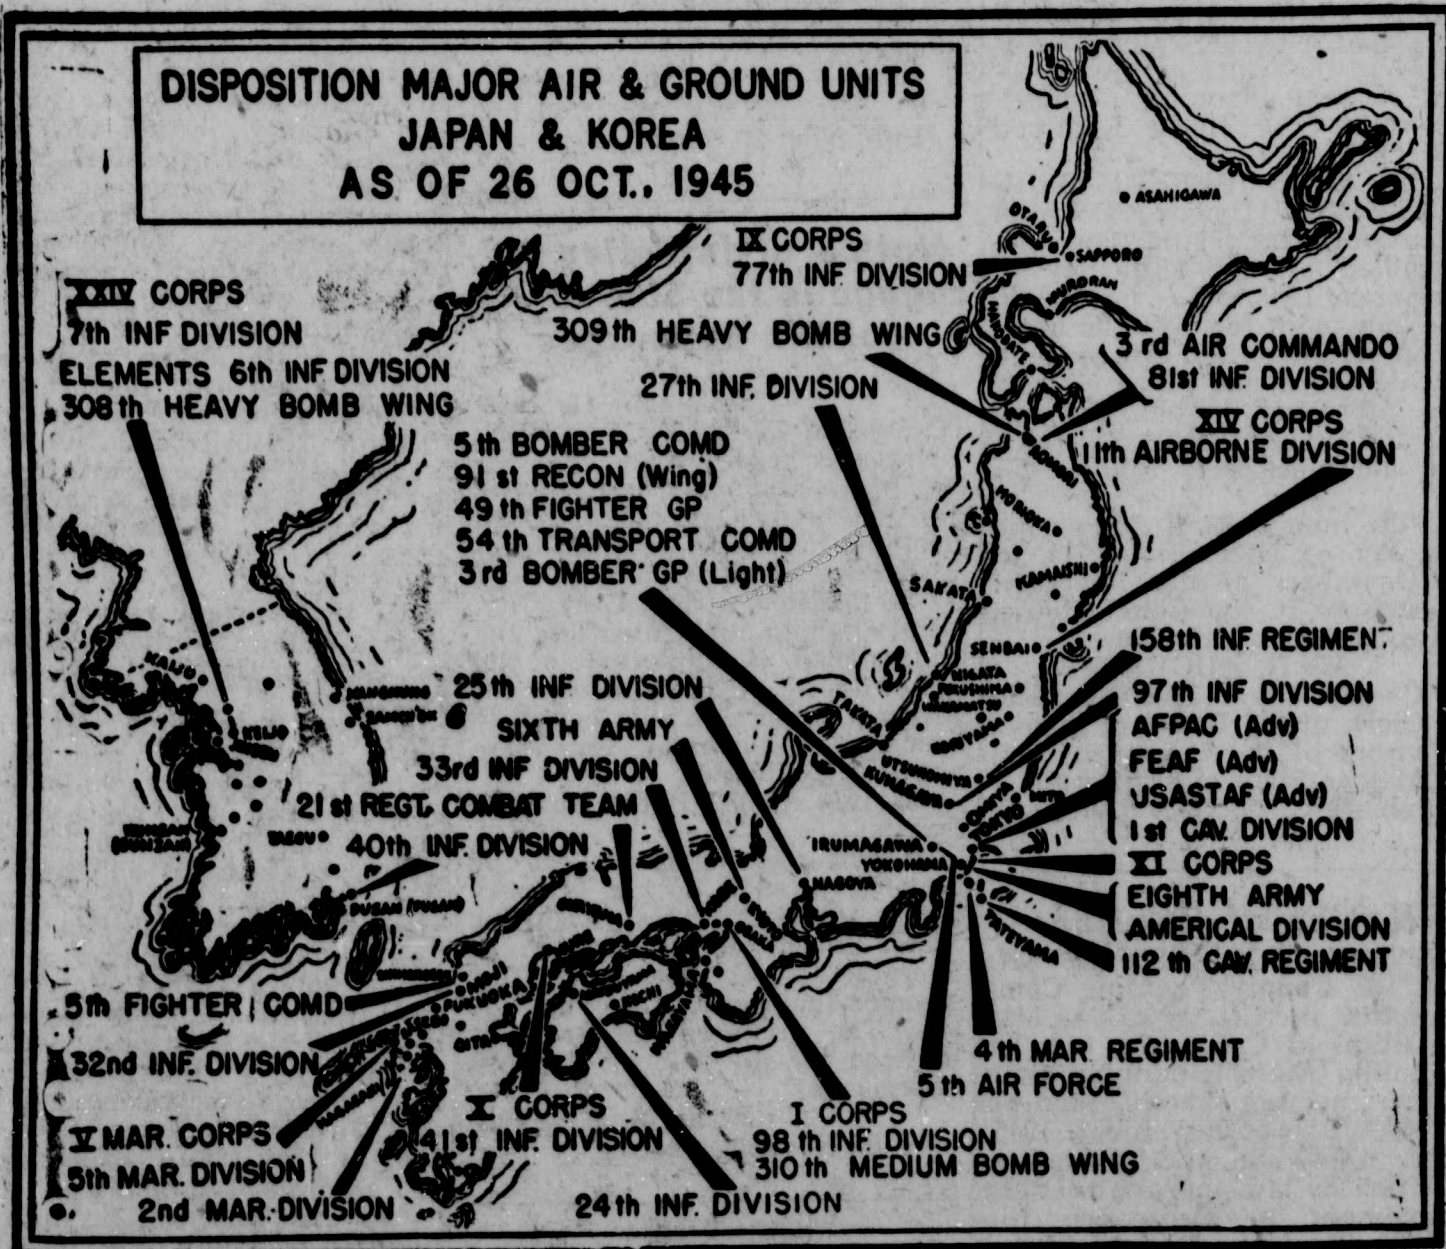

Ideas on Making the Most of Veal

1 pound GROUND VEAL 	Makes 8 Servings MEAT BALLS WITH SPAGHETTI. Add seasonings, onion, 1 cup bread crumbs, 1 egg. Make into 16 balls, brown. Simmer in a tomato sauce 30 minutes. Serve over spaghetti.	—or 8 Servings VEAL PUFFS Combine with 2 cups mashed potatoes, 4 eggs, seasonings. Chill. Dilute 2 cans tomato soup; heat. Drop meat mixture into soup by spoonfuls. Simmer 45 minutes.	—or 6 VEAL PATTIES Combine veal with 2 cups grated raw potato, ¼ cup grated onion, ¼ cup milk, seasonings. Shape into patties. Brown in fat. Add ¼ cup water. Cover. Simmer 20 minutes.
1 pound BONELESS SHANK OR HEEL MEAT 	Makes 8 Servings BRAISED VEAL DUMPLINGS Cut into small servings, brown, add seasonings and small amount of liquid. Cover. Simmer until almost done. Make drop dumplings and add to meat. Cover, cook 20 minutes.	—or 8 Servings VEAL CASSEROLE Cube veal, season, flour and brown in fat. Dice carrots, onions and potatoes. Arrange meat and vegetables in casserole with sauce or gravy. Cover and cook in slow oven.	—or 6 Servings PAPRIKA CREAM SCHNITZEL Slice meat into servings. Brown in fat, with 2 tablespoons onion. Season with paprika and salt. Add cup sour cream and ¼ cup tomato sauce. Cover. Simmer 30 minutes.
1 pound BONELESS BREAST 	Makes 8 Servings VEAL STEW WITH VEGETABLES Cube veal and brown. Cover with water or tomato juice. Season. Add vegetables in time to cook. Thicken gravy. Garnish with peas or green beans.	—or 8 Servings VEAL POT-PIE Cook veal and vegetables for stew. Season. Place in casserole and cover with gravy. Cover with pastry, shortcake or mashed potatoes. Bake until brown.	—or 6 Servings CURRIED VEAL (OVER RICE) Cube veal. Simmer 'til tender. Cook 2 tablespoons onion in 2 tablespoons fat. Add 1 cup diced celery, 4 tablespoons flour, 1 tablespoon curry, 2 cups stock, seasonings. Cook. Add veal.
1 pound SHOULDER CHOPS 	Makes 6 Servings VEAL CHOPS WITH NOODLES Have chops cut thin. Brown with onion, add seasonings. Cook egg noodles and place in casserole, with chops on top. Cover. Cook in slow oven 30 minutes.	—or 4 Servings BRAISED VEAL CHOPS Flour chops. Brown in fat. Season with salt and pepper, garlic and bay leaf. Place lemon slice on each chop. Add ¼ cup water. Cover and simmer 45 minutes.	—or 6 Servings VEAL CHOPS—PRUNE STUFFING Have chops cut thin. Brown in fat. Mold bread stuffing with prunes to fit each chop. Place each chop on stuffing. Cover. Cook in slow oven 30 minutes.

In planning for veal in the meal a good many home food buyers are in the habit of not thinking much further than veal roasts or chops. But veal has other cuts to offer—cuts which may be less well known but, nevertheless, are just as desirable, if properly prepared. An idea as to what can be done toward injecting variety into the menu with veal is set forth by the recipes given above. There are, of course, many other cuts of veal and many possibilities for their preparation that may be used to advantage.

DISPOSITION MAJOR AIR & GROUND UNITS JAPAN & KOREA AS OF 26 OCT. 1945

Released by U. S. War Department, Bureau of Public Relations.

JAPAN TAKEN WITHOUT A LAND FIGHT—Above is shown the disposition of U. S. military units in territory which they would have battled for if the Japanese had not surrendered.

News From The Grammar Schools

Woodrow Wilson

Room 12
The fifth and sixth grades have been working hard on spelling this week; taking up extra words in an effort to bring up the class average. Everyone also joined in learning a Thanksgiving song for the holiday.

Room 4
Geographic concepts and understanding have been studied in room 4. The value of latitude and longitude to navigators, the time belts and locations of various places on the globe have been studied.

Room 5
The boys and girls of room 5 are studying how the weatherman learns about the weather, and how he makes his predictions. Also why we have rains, snows, and clears.

Room 9
Early types of steam railroads are being given especially close study by the sixth grade at this time. Dixie Schulteis brought a model of the De Witt Clinton for inspection.

Room 8
The parts of English speech are being studied in this room; the students are learning to distinguish between adjectives and adverbs.

Room 14
In social science the children are studying about the "Far North and the Far South." They have learned that the weather is very cold there, and that snow covers the ground most of the year. It was also of interest to them to learn that the nights and days are six months long respectively.

Room 15
The children of the high fourth and low fifth have just finished maps of the United States showing wool production in connection with their unit on "Textiles."

Crocker

High sixth students are showing a great interest in their study of early ships. This week they began reference work on the lives of famous seafaring men.

In connection with their special social studies, a film "The Panama Canal," was shown to the pupils of the low 6th grade this week. The seventh grade also enjoyed a film about the Canal during their study of that part of the Americas.

The high seventh and low eighth are finishing their booklets on "Aviation." There are quite a number of interesting books to be turned in next week, the last one of the unit.

Jefferson

During their art period this week, the first grade was actively engaged in getting ready for Thanksgiving.

Large turkeys were colored and cut out, the best of which were used as a border. After listening to the story of the Pilgrims, pictures were cut and colored to suit the story. These were added to the border of turkeys, making a pleasing decorative motif for the room.

The fifth grade has been studying the "Story of Silk," and was more than interested when cocoons were brought to school by Edward Fuchs. These were to show both varieties, yellow and white, and gave the children an excellent opportunity to see what they had been reading about.

In correlation with their unit, "Story of the Sea," an interesting, impromptu program, "Treasures of the Sea," was given in the sixth grade class on Wednesday. Those participating were Phyllis Hummel, Robert Giorni, Justin Clark and Nancy McCaffrey.

ACTIVITY CALENDAR

For additions or corrections, phone RA 3215 and ask for Miss Smith. Deadline on all insertions is 4 p. m. Tuesday.

FRIDAY, NOVEMBER 30

- 4 p. m.—Cub Den No. 6, of Pack No. 141, 86 Hillcrest drive.
4 p. m.—Cub Den No. 1, of Pack No. 141, 363 Santa Barbara avenue.
7:30 p. m.—Boy Scout Troop No. 148, Holy Angels hall, San Pedro road, Colma.
8 p. m.—Company A, 3rd Battalion, 23rd Regt. State Guard, 101 Parkview avenue, non-commissioned officers.

SUNDAY, DECEMBER 2

- 9:45 a. m.—Sunday school, Grace Presbyterian church, Hanover and Evergreen.
9:45 a. m.—Sunday school, Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.
9:45 a. m.—Sunday school, Lutheran Church of Our Savior, 2085 Ocean avenue.
10 a. m.—Sunday school, sponsored by Grace Presbyterian church, Colma Community Center building, Dunks street.
10:45 a. m.—Morning worship, Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.
11 a. m.—Peaching service, Grace Presbyterian church, Hanover and Evergreen.
11 a. m.—Morning worship, Lutheran Church of Our Savior, 2085 Ocean avenue.
7:45 p. m.—Preaching service, Grace Presbyterian church, Hanover and Evergreen.
7:45 p. m.—Evening service, Grace church of the Nazarene, Santa Barbara and Vista Grande avenues.

MONDAY, DECEMBER 3

- 3 p. m.—Brownie Troop No. 10, Colma community center building, Dunks street.
3 p. m.—Brownie Troop No. 9, Mission and Theta.
3:30 p. m.—Senior Girl Scout Troop No. 6, Little Theatre Jefferson UHS.
3:30 p. m.—Cubbies, Pack No. 141, Grace Church of Nazarene, Vista Grande and Santa Barbara avenues.
3:30 p. m.—Girl Scout Troop No. 1, No. 5 Firehouse, Oliver and Bellevue.
3:30 p. m.—Girl Scout Troop No. 3, Recreation hall, 101 Parkview avenue.
7:30 p. m.—Sea Scout Ship No. 144, Co. No. 2 Firehouse, Vista Grande and San Diego avenues.
8 p. m.—Crocker Chapter, No. 382, Order of Eastern Star, Masonic Temple, 17 Hillcrest drive.
8 p. m.—Crocker Chapter No. 382, OES, Masonic Temple, 17 Hillcrest drive.
8 p. m.—General Dept. DCFD, 188 Santa Barbara avenue.

TUESDAY, DECEMBER 4

- 1:30 p. m.—General Pershing PTA, Pershing school.
2 p. m.—Colma PTA, Jefferson Annex, Colma.
3:30 p. m.—Girl Scout Troop No. 2, Theta and Mission.
3:30 p. m.—Girl Scout Troop No. 5, No. 4 Firehouse, Peoria street.
7 p. m.—Boy Scout Troop No. 141, Grace Church of Nazarene, Vista Grande and Santa Barbara avenues.
7 p. m.—Night school, Jefferson UHS, 6996 Mission street.
7:30 p. m.—Crocker Lodge, No. 454, F&AM Masonic temple, 17 Hillcrest drive.
7:30 p. m.—Prayer and Praise service, Grace Presbyterian church Hanover and Evergreen avenues.
8 p. m.—Daly City Band, No. 5 Firehouse, Oliver and Bellevue.
8 p. m.—Devotions, Our Lady of Perpetual Help church, 60 Wellington avenue.
8 p. m.—Vista Grande Circle No. 253, Foresters, Linhares Social hall, 176 Los Banos avenue.
8 p. m.—Fire Commissioners DCFD, City Hall.
8 p. m.—Daly City-Colma Girl Scout Council, call group leader for meeting place.

WEDNESDAY, DECEMBER 5

- 10 a. m.—4 p. m.—Red Cross workroom, Theatre hall.
12:10 p. m.—Daly City-Colma Lion's Club, Estrada's Spanish Kitchen, El Camino Real.
3 p. m.—Brownie Scouts No. 7, No.

"Notes Off the Cuff"

By Phil Smith

Nothing is certain except that it won't happen as the experts predict!

A friend of mine "up on top of the hill" is quite a philosopher at times, why just this morning he told me that, "Money may not mean everything, but almost everything in Daly City means money."

I've given it some thought, and have come to the conclusion that I get what he means.

Big, exciting things are cooking in "Quickie's" popular creamery fountain, next door to the Daly City theatre, these days. Very yum-yummy indeed is the latest idea, especially created for, and dedicated to the Jefferson "Indians."

I've promised not to divulge all of the details, but I can say that it will have the campus all a-chatter soon, and the creamery crowded.

With the co-operation of the Samarkand Ice Cream Company, "Quickie" is preparing a noteworthy surprise... wait until you see it, you'll certainly love to taste it!

Old Grandpa Jones is getting pretty hard of hearing, so I asked him why he didn't buy one of the hearing devices one sees advertised.

"Hells, bells, gal, I'm hearing more dang fool talk now than I can understand. What do I want with one of them things?" was his reply.

History is repeating itself, and how! The boys back in good old WashDC are seriously proposing that farmers be paid a bounty for slaughtering 100,000,000 hens to get them out of the egg-laying business. Unless this is done, they say, there will be a surplus of "Hen Fruit" next year.

All this sounds rather strange, to say the least, at this time, when eggs are scarce, and some retailers limit us to a single dozen at sometimes hair-raising prices.

Just think back a few years... remember all the poor innocent little pigs that were "liquidated" for much the same sort of stupid reason?

I could eat a pork chop right now!

As I was standing on a busy downtown street corner in San Francisco last Tuesday evening, a little old lady, dressed in her best, came up to me and asked in a quiet little whisper, "Honey, wheah do Ah go to catch a cah to Levenworth street?"

I told her, and offered to escort her across the street to the "cah" stop.

"No, honey, don't you all bother... I just wanted to see if mah

PARTY PLAID

Photo courtesy New York Dress Institute

PLEASING both mothers and daughters has been the particular task of New York designers of teen-age clothes. The smart plaid taffeta dress shown, neither too babyish nor too sophisticated for the young junior, is typical of the dressy dresses fashioned specially for her requirements.

Crisp little wing sleeves trimmed interestingly with lattice edging made of the taffeta have a widening effect on narrow shoulders. Extra fullness in the skirt in the center front gives the dress plenty of pretty swish. Finally, there's a touch of young black in a satin bow for the neck and a patent belt for the waist.

Colored Bulbs

Flame tint bulbs burn up light. Amber-orange and flame tint bulbs give a warm glow, but they steal light. To get more light, replace them with inside frosted bulbs of the same wattage or plain bulbs covered by small shades.

voice had returned." It takes all kinds, does it not?

A word to the wise isn't always sufficient, but here goes... Never bite off more gum than you can chew; the results are sometimes messy!

Interesting to speculate about: A tip from a source about town has it that a certain specifically described character, reportedly frequenting local bars is about to meet up with some atomic action most any minute. There is allegedly a serious drunken driving charge hanging over his head in a community across the bay; and he is being closely tailed by a party whom he neglected to pay a considerable sum of money for "professional services rendered." I'm all set to watch the inevitable excitement!

Once upon a time, as the best stories go, there were seven wise men in Greece. They all attended a dinner of state in Athens, and upon being asked "What is the ideal state?" replied:

Solon:—That in which an injury to the least of its citizens is an injury to all.

Bias:—Where the law has no superior.

Thales:—Where the rich are neither too rich, nor the poor too poor.

Anacharsis:—Where virtue is honored, and vice detested.

Pittacus:—Where dignities are always conferred on the good, never on the bad.

Cleobulus:—Where the citizens fear blame more than punishment.

Chilo:—Where the laws are more regarded and have more authority than the orators.

I wonder what the gentlemen had to drink before the speech-making began?

Fashion Frock of the Week

BLACK BEAUTY

Suits are indispensable in the wardrobe of every well-dressed woman. Tailored suits are excellent for the business girl. The trim, feminine lines of a well-tailored, well-groomed suit make the most of her figure and her good looks, and their simplicity is appropriate to her job. And a suit that can stay out after dark will take you dining and dancing.

The blouse of this smart restaurant suit by Fashion Frocks is fashioned of striped rayon faille, with a flirt of a peplum that flares out from the waist. The slim, plain-colored faille skirt plays a pretty "second fiddle" to the high-styled blouse.

Many a bride will be married in a suit when Johnny comes marching home, a suit that can do double duty for practice! wear after the honeymoon.

Finds Purple Disturbing

A physician interested for many years in the study of color effects on the human body and mind, points out that purple causes the greatest emotional upsets, though its effects will vary with the individuals. It causes uneasiness and mental restlessness, according to his finding.

y Windows

If you've two or more grouped windows full of breezes and sunlight, don't smother them. Link one pair of full draperies with a gathered valance that spans all the windows. Then loop one pair of fluffy sheer tieback curtains gracefully, loosely back to soften the light.

Dressy Leader

BALLERINA SKIRT fullness of the Persian lamb bordered winter beige coat, worn by CBS actress Cher Brentson of the "Ma Perkins" cast, artfully balances wide melon sleeves and body fullness above a cinched, doll waist. Adding shoulder epaulettes with punctuating ceramic buttons, the Chicago Fashion Industries add shoulder-widening illusion.

General Pershing PTA Reports Meet

The General Pershing school PTA held a regular meeting on November 6, at 1:30 p. m. Guest speaker for the occasion was Mr. Hutchison, official of the Peninsula YMCA, who spoke concerning activities provided by the YMCA for youth, and of the problems encountered in preventing juvenile delinquency.

Mrs. Mildred Beutel reported on the meeting of the 17th District, which she attended on October 18.

The Halloween party, an annual affair, was voted a huge success this year, with more than 290 guests present, including teachers, parents and children.

Work Stoppage Halts Buick Production

John Soldavini, proprietor of the Belli Motor company located at 7400 Mission street, Daly City, informed the Record this week that a UAW-CIO work stoppage in the Midland Steel Corporation plants in Cleveland, Ohio, which has been in effect for the past two weeks, has brought to a halt the production of Buick automobiles.

This halting of Buick production, which had reached a rate of 225 cars per day and was accelerating, will ultimately affect an estimated 20,000 workers in Buick, Fisher, and other allied plants, according to Soldavini.

It comes at a time when the 1946 cars were receiving their first public showing in dealer establishments throughout the country, the attendance at which has indicated unprecedented public approval of the new models.

Another regrettable result of the present shutdown is the fact that re-employment of returned veterans has also been halted. Buick is accepting applications, however, and registering these veterans for employment after the plants are reopened.

Sewing Circle Is Planning For Bazaar

The Crocker PTA sewing circle will meet at the home of Ruth Morris, 186 Irvington street, December 4, to make final plans for their bazaar. All members are urged to be present to assist in handling the many details involved.

Executive Board Luncheon Meeting

The executive board of the Jefferson Union high school PTA will hold a luncheon meeting at the home of Mrs. Catherine Foreman, 35 Woodrow street, on Thursday, December 6.

A general exchange of Christmas gifts, in an atmosphere of holiday festivity will be the feature of the day.

Due to the holidays, and their many attendant activities, there will be no general meeting during December.

The program included singing by Miss Engle's kindergarten class, and a play by Miss Mahoney's drama class.

This report was inadvertently delayed in publication.

Woodrow Wilson PTA Meeting Held

The regular monthly meeting of the Woodrow Wilson Parent-Teacher Association was held at 2 p. m. on November 20, at the Woodrow Wilson school.

Mrs. Crane led the pledge to the flag, after which Character Education Chairman, Ida Harley read a "Thought for Thanksgiving" from the California Parent-Teacher magazine.

The general business was taken up and disposed of and a count taken of the greatest number of representatives from each room. The result being that Mrs. Grover's room was best represented with 9 present.

A group correspondence course in Parent-Teacher work is being planned to start in January.

It was decided that a hot dog lunch would be held at the school as soon as materials are available.

Following the meeting came the annual Teachers Mothers tea. The plans were made and carried out by a special committee for the occasion, Irene Williams, Mildred Kalinin, and Louise Darnell, who with the assistance of the regular hospitality committee, Gloria Erickson and Mildred Morgan, had the tables decorated in the Thanksgiving motif with heather and candles, and also favors cleverly made by the committee. Refreshments, well prepared and delicious, were then enjoyed by a group numbering about 75.

The next board meeting will take place in the home of President Hazel Marsh, 301 Wellington avenue, on December 4. Due to the coming Christmas school holidays, there will be no regular meeting during December.

Please Mail Early Urges Wm. McCarthy

Postmaster William H. McCarthy asked for early shopping and mailing. He emphasized that the necessity for early mailing is more imperative this year more than ever before because of anticipated volume and transportation problems.

Mail for outside states should be deposited well in advance of December 10. Christmas gifts and greeting cards for California and local delivery should be in the mails not later than December 15. These dates guarantee delivery of your gifts and cards by Christmas.

The nation's transportation system, truck, train and plane, is now carrying the heaviest load in its history to bring our returning veterans to their homes. Reconversion exaggerates the problem. There are many men still in the Pacific theatre, so mail and supplies must be carried to them. And if you add to all of this the prospect of the biggest Christmas in our history, the problem is quite easy to understand but not so easy to solve.

To further assist, patrons should see that parcels are packed and wrapped properly. Be sure that addresses are legible and that the return address is written in the upper left corner. Finally, to be doubly sure, an additional label should be inserted inside the parcel. Then, if the wrapper happens to be torn or destroyed, the parcel can be identified. The use of the zone number in the address is most important and will be of material assistance in distribution.

Mineral Sources

Green and immature grasses are better sources of minerals than are hay and mature plants for animals.

Court St. Marys Announces Whist

Court St. Marys, No. 1155, Catholic Daughters of America, announce that the last big whist of the year will be held in Masonic temple, 17 Hillcrest drive, on the night of Thursday, December 6. Mrs. Catherine Core is chairman for the event.

There will be some grand Christmas gift items available during the evening, and playing will start at 8:30.

Grand Regent Catherine Salisbury will preside over a short business meeting before the whist begins.

Mrs. Ida Forest, chairman of the entertainment committee of hostesses for the Servicemen's Club between November 11-17, wishes to thank all those who were so helpful during that period.

Daughter Born On Thanksgiving Day

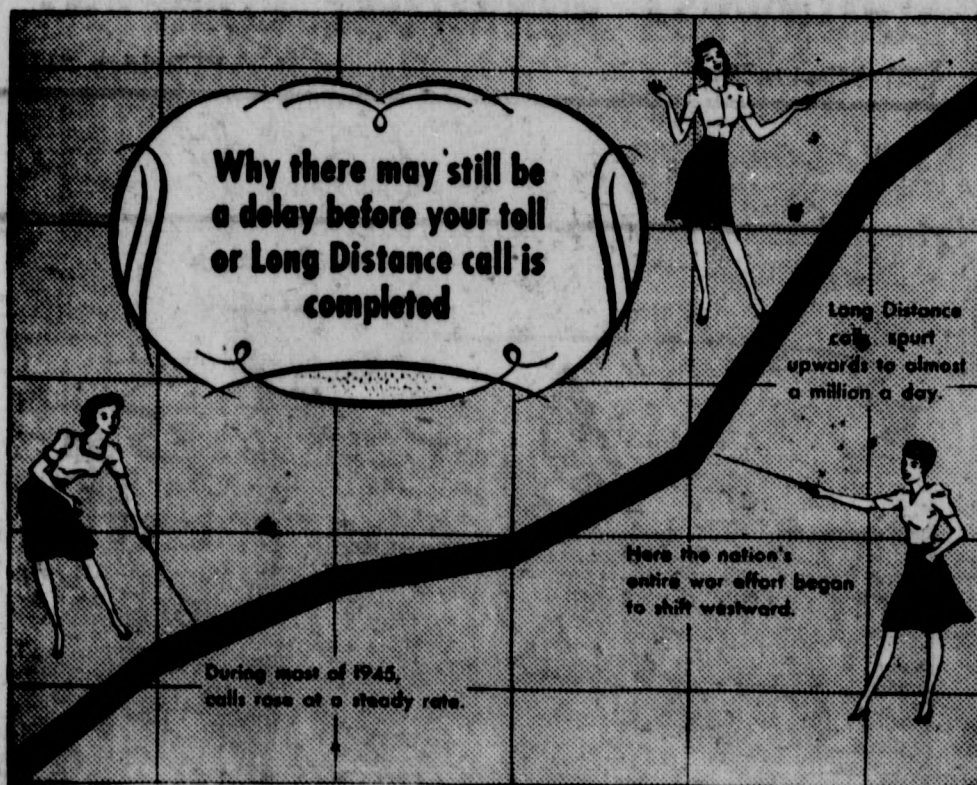

A lovely little daughter, Sharon Louise, arrived on Thanksgiving day, November 22, to bless the home of Mr. and Mrs. Emil Hesselien, 204 Woodrow street.

Sharon weighed 5 1/4 pounds at her birth, which occurred in St. Joseph's hospital. She and her mother are doing very nicely, and expect to return home sometime this weekend. The Hesselien's have two other daughters, Barbara Jean, and Carol Joan.

Floor Wax

If you buy the self-polishing type of floor wax, test it first to see if it will stand several moppings. If it does, it will also remove black heel marks from the floor and will in general give the floor a better appearance.

Long Distance calls reach all-time high on the Pacific Coast

The graph above gives a quick picture of the unprecedented increase in Long Distance calls that came in the last few months before the end of the war and has continued unabated ever since.

It also tells you why...even though we are making swift progress in bringing service back to normal...your Long Distance call may sometimes be delayed, or the operator may ask you to limit it to five minutes.

You can be certain we are doing everything possible to serve you courteously, quickly and well and to speed the day when we can again handle promptly any Long Distance call you want to make...anywhere.

today... The Daylights

pacemakers for trains to come

Every day Southern Pacific's luxurious streamlined *Daylights* join San Francisco with Los Angeles in a glorious daylight trip. One *Daylight* streaks along the California coast, over the Santa Lucia Mountains and along the blue Pacific Ocean shore for more than a hundred miles. Another *Daylight* travels over the rugged Tehachapi Mountains and through the great San Joaquin Valley.

The *Daylights* are among the most popular trains in America and the most beautiful trains in the world.

Aboard these luxurious red and orange streamliners you enjoy enormous "showcase" windows five feet wide, soft foam rubber seats, fluorescent lighting, a low-voiced public address system to announce station stops and points of interest, baggage elevators, complete air-conditioning, smooth gliding motion thanks to ingenious tight-lock couplings between the cars.

Modern ideas such as these, tested in years of daily service on Southern Pacific's *Daylights*, the *Lark*, the *City of San Francisco* and the *Sunbeams*, gave us a head start in designing the trains to come.

tomorrow... Southern Pacific is planning more streamliners; and will have them on our four major routes as fast as conditions permit. These new trains will be the finest the world has seen. Watch for the new Southern Pacific streamliners. Then it will be more exciting than ever to "try the train."

Daly City Record

THURSDAY, NOV. 29, 1945

NINE

Fees Apportioned For Highway Uses

San Mateo county and its member cities, received a net of \$355,713 in gas tax and motor vehicle fees from the state of California during fiscal 1945, California Taxpayer's association said today, making public its study of state payments to local governments for highway purposes.

The county's apportionment from the gas tax amounted to \$254,880 of which \$35,621 was withheld by the state for a payment on the unemployment-relief loan owed by the county to the state. Net to the county from the gas tax was \$210,259. The county in addition received \$70,082 from the state for street purposes and state highway purposes in cities.

Motor vehicles and fuel tax monies apportioned by the state to the counties and cities in California for fiscal 1945 totaled \$21,958,866 with \$2,430,828 withheld for repayment of the unemployment relief loan indebtedness of 26 counties, or a net of \$19,528,038. Gas tax monies for the counties totaled \$14,292,869, from which the \$2,430,828 relief loan payment was withheld, making a net to the counties from fuel taxes of \$11,826,041. Registration and weight fees apportioned to the counties totaled \$4,092,780. Cities received \$3,573,217 in direct apportionment from the state and the state is required to spend a

like sum for state highway purposes within cities.

"At the end of 1940 there were 2,955,952 motor vehicles registered as fee paid in California. On June 30, 1945, there were 2,967,533 fee paid motor vehicles registered in the state. Reports are that the state department of motor vehicles is making plans for the registration of large numbers of additional vehicles in California during 1946. Increases in gas tax revenues from the greater use of motor vehicles showed up im-

mediately with the lifting of gas rationing restrictions. Additional cars in California will mean increased highway revenues to local governments, both from gas tax and from motor vehicles taxes."

Mattress Care

Mattresses need special care in warm humid weather to keep them from acquiring a musty odor or mildew. At least once a week mattresses need airing, and occasionally sunning in bright, dry weather.

Rental Increases May Be Granted

Reaffirming the November 2 announcement from Washington by OPA Administrator Chester Bowles that a "liberal rental increase will be granted by OPA in advance of construction in order to speed the revival of rental building," Henry A. Cross, San Francisco District Rent Executive, today took issue with statements made at a public meeting on housing shortages held in San Francisco on Tuesday of last week.

A spokesman, identified by San Francisco newspapers as John S. Bolles, architect, was quoted as stating at the meeting that "lack of adequate rents under current costs is preventing construction of countless multiple-family dwellings. Economically sound rentals are not permitted, and building costs are high and would require a rent increase for the completed structure."

Henry Cross revealed that as yet no Bay Area builders had sought approval by the local office of rent schedules for new construction, despite the announcement made three weeks ago of OPA's policy to allow a substantial increase on rental building.

"We are prepared to act promptly on such requests," Cross declared. "Increases will be allowed to cover not only the higher cost of construction but will provide for stepped-up amortization of the inflated portion of the owner's construction costs also."

Cross pointed out that prospective builders may protect themselves by seeking prior approval of rents from the area office. By this method, they may determine their possible rental income before building starts, Cross said.

"The Office of Price Administration is well aware that new rental construction is needed at once to ease critical housing shortages," Cross added. "The new policy is designed to encourage this by making substantial allowances for rents on newly-built housing."

Don't Destroy Your Old Ration Books

Kenneth R. Hammaker, San Francisco District OPA Director, is strongly urging consumers to turn their red tokens in to their butchers as soon as possible, explaining that in turn the butchers should immediately deposit the tokens with their ration bank accounts. Despite the new order, consumers were cautioned not to destroy or lose their ration books, because ration stamps for sugar purposes will be needed indefinitely.

Some very interesting statistics on food consumption have been received this week from Washington, D. C. We quote some of the more pertinent facts:

December will see enough meat in the United States to supply the civilian market at the rate of 165 pounds per person per year, this after 30 million pounds have been set aside for UNRRA, and four million pounds for commercial export.

During the first quarter of 1946, the civilian supply will be at the rate of 155 pounds per person per year after all military needs are met, and 100 million pounds are allotted to UNRRA.

The estimate for the second and third quarters of 1946 is at the rate of 142 pounds per person per year, and 160 pounds for the final three months of 1946.

American consumption of meat in the late thirties averaged only 126 pounds per person.

The estimate of per person supply of fats and oils reveals that Mr. and Mrs. Consumer may expect a rate of 50 pounds, and 45 pounds for the first six months of 1946. Americans averaged 48 pounds of fats and oils per person during 1938 and 1939, according to government statistics.

Strikes Highest Point

Lightning tends to strike the highest point in the vicinity. The highest point may be a barn, a tree, or a man working in a field, so avoid these and seek adequate protection, which is afforded best in a lightning protected building. Fairly good protection may also be had in a cave or depression of some kind or in a woodland—but definitely not a small grove or a single tree. Lightning sets up induced (sympathetic) currents in metal objects even though it may not touch them. Therefore, fences and machinery should be avoided during electrical storms.

Baptist Evangelist Here For One Week

Dr. Harry W. Vom Bruch, noted Baptist evangelist of Long Beach, will open a week of special meetings on December 2, at the Calvary Baptist church, Mission and Morse streets.

Dr. Vom Bruch has been engaged in evangelical work for 25 years, and has visited every city of any size in the entire United States in the course of his helpful work.

A set of electrical bells are an added attraction on his programs.

Real Thanksgiving For Wm. Thompsons

Mr. and Mrs. William A. Thompson, 246 Los Banos avenue, are announcing the birth of a son at 8:15 a. m. Thanksgiving day. The young man, who tipped the scales at 9 pounds 4 ounces, was the only baby born on the festive day at French hospital.

He has been named Richard (Dickie) Gerald Thompson. His mother expects to bring him home on Sunday. Both are doing wonderfully well.

Steel Power Use

Steel uses 16 per cent of all power sold by utilities for industrial purposes.

Clinical Studies On Heart Ailments

A clinical demonstration of rheumatic heart disease was conducted last week for California physicians by members of the department of pediatrics of the Medical School of the University of California.

Dr. Peter Cohen, lecturer in pediatrics, Dr. Mary B. Olney and Dr. Alice Potter, assistant clinical professors of pediatrics, in cooperation with Dr. Helen Johnson, of the state health department, arranged the clinic in the University hospital and discussed the cases from the out-patient department of the children's heart clinic of the University and the Crippled Children's division of the state health department.

More than 200 physicians visited the clinic, one of the aims of which was to emphasize the need for early diagnosis and prompt treatment of rheumatic fever. Patients with different phases of rheumatic heart disease were placed in separate cubicles so that the physicians could examine them. Charts, cardiograms, and chest X-rays showing the heart shadow were prepared for each,

Production Loss

Time lost from farm accidents last year equaled that required to produce five bushels of wheat for every person in the United States.

and heart beats were magnified with electronic equipment. Rheumatic fever is one of the leading causes of death in childhood and is also responsible for much adult disability, the pediatricians say.

Mother's Club Bazaar On Sunday

The Mother's Club of Our Lady of Perpetual Help school, will hold their annual bazaar Sunday, December 2, in the school rooms.

There will be handmade articles, home-made cakes and refreshments for sale, also a booth of interest to children.

The public is cordially invited to attend.

Disabled Veterans Taught To Drive

Driver education and training classes for disabled servicemen are being conducted at six Army and Navy hospitals in California, each operating along program lines set up by the California Department of Motor Vehicles, it is reported in Postwar California, a monthly digest of information prepared by the Bureau of Public Administration on the Berkeley campus of the University of California.

Behind-the-wheel training is given in cars donated to hospitals by the American Legion Auxiliary. The report states that graduates of the training courses rate high on the tests, with less than three per cent reactions.

Goff General hospital, Santa Barbara, has the largest number of driver graduates, with Dibble General at Menlo Park and San Diego Naval hospital next in number. Two training cars are in use at Mare Island Naval hospital, the amputation center for the west coast. Each amputee is carefully trained to drive with the use of artificial limbs and without any special car devices if possible. When devices are found necessary they are worked out under the direction of the hospital orthopedic surgeon.

News Notes For Nimrods

Current hunting and fishing conditions as compiled by the Outing Department of the National Automobile club.

Humboldt County—Muddy streams have slowed up fishing. Duck hunting this year has not been very successful.

Trinity county—Fishermen report lots of steelhead are in the smaller streams. Salmon are plentiful along the upper Trinity.

Siskiyou county—Duck hunters returning from trips to the Shasta and Scott valleys report getting only a few birds and shooting in general not very good. Several have reported seeing a good many quail.

Shasta county—Good duck shooting was reported last week by hunters on the Tule and lower Klamath Lakes. There was also a good run of salmon on in the Redding district.

Lassen county—Reports on quail and pheasant look hopeful for a good season.

Placer county—Hunters returning from the Placer county area reported good duck shooting on the small clubs.

El Dorado county—Very few pheasants in this area.

Sacramento county—Several good catches of striped bass have been taken recently. Salmon have been running in the American river. The quail crop is better than last year.

San Joaquin county—Pheasants are fairly numerous in this area, better than last year.

Stanislaus county—Spawning beds on the Stanislaus and Tuolumne river are thick with salmon.

Glen county—Pheasant hunters are not having very good success.

Mendocino county—Pheasant shooting prospects do not look hopeful. Quail hunters are expecting fairly good success. Duck shooting has been poor. Streams are fairly high now.

Sonoma county—Pheasant shooting only fair. Ducks are scarce. Steelhead and silverside salmon are fairly plentiful in the Russian river now.

Santa Clara county—Very few pheasants are in this area. A few more ducks are coming in. Quail are scarce.

Merced county—Some of the duck clubs were still getting good shooting last week. The run of salmon in the San Joaquin river has been fair.

Mono county—Hunters report ducks hard to get. Quite a few birds are on the Mono and Crowley lakes.

Fresno county—Prospects look good for the pheasant season in the western part of Fresno, Kings, and Merced counties. Valley quail are scarce.

Tulare county—A poor outlook for the pheasant season is reported in this area.

San Luis Obispo county—The outlook for quail shooting is better this year than last. Duck shooting has not been good.

Santa Barbara county—Quail are few and scattered in this area. There has been no steelhead fishing as yet.

No Price Control On Billiards, Pool

Charges for bowling and playing billiards or pool have been suspended from price control, the San Francisco District OPA office announced this week.

This suspension, effective December 1, applies also to rentals, maintenance or repair of equipment used in these three recreational activities.

Price control is removed by suspension instead of exemption so that if the general level of charges rises to an extent inconsistent with the stabilization program, control may be immediately reinstated, OPA said.

Heretofore, these charges have

Farm Marketings
Total receipts to U. S. farmers for cash marketings in 1944 were \$19,800,000,000, which was \$500,000,000 more than they received from marketings in 1943.

been generally frozen at each operator's highest March, 1942 charges.

The Market Basket is at your service over the weekend. We realize that working people cannot always find time to fill their shelves during the week. Here you can shop quickly and easily. If you do not find what your needs require, George and "Jo" will locate it for you through their many contacts.

MEATS AND POULTRY

"ERNIE" and "LINO"
At Your Service With

The finest procurable meats and fowl. Buying only the best on the market, these boys assure their patrons of selection from the top grades on the Market today.

FRUITS AND VEGETABLES

Meet "BILL" Whose Vegetable Department is a treat to both the eye and the palate. When better fruits and vegetables are to be found... Bill's the boy who'll get them for YOU!

Christmas Seals Sale Going Well

First returns from the sale of Christmas Seals, now being received at the office of the San Mateo County Tuberculosis and Health association, afford proof of enthusiastic public co-operation, the officials in charge say. There is confidence that the needs of the association will be met although the program outlined for 1946 is larger than any previous one and the expenses will be exceptionally heavy.

The committee asks that all seal contributions be sent in without delay so that the funds may be on

Sgt. Charles Norry Gets Honor Citation

Sgt. Charles A. Norry, son of Mr. and Mrs. Charles Norry, 369 Guttenburg street, formerly manager of the Daly City Junior Baseball teams, was presented with a commendation by Major Edwin E. Phillips, of the 5th Air Service Group.

This citation was in acknowledgement of Charles' 26 months service as cook for the 93rd Air

hand before Christmas time and the returns may be handled speedily and efficiently. Anyone who has not received seals may obtain them by telephoning to the association, San Mateo 3-6274.

Mulching Tomatoes
Mulching is valuable around tomatoes that are not staked and around cucumber and squash plants. It keeps the fruit off the ground keeping the fruit cleaner and freer of certain rots that are carried in the soil.

Service Squadron.

Charles took his basic training at Harding Field, Louisiana, and has spent a total of 37 months with the Army Air Corps, 27 months of this time being on active duty in the South Pacific War Theatre.

He is entitled to wear the Asiatic Pacific Campaign medal, the Philippine Liberation Ribbon with one Bronze star, the Good Conduct medal, and the World War II Victory medal in recognition of his service for his country.

Ernest Lantz With U. S. Coast Guard

Ernest Lantz, 17, son of Mr. and Mrs. S. Lantz of 563 Hanover street, left on Friday for service

with the United State Coast Guard at their Alameda base.

Ernest is a graduate of the Hunter's Point Training school.

His brother, Stone Lantz, is on active duty with the Seabees, attached to the famous 96th Division, in China at present.

NEW B. F. Goodrich PASSENGER TIRE

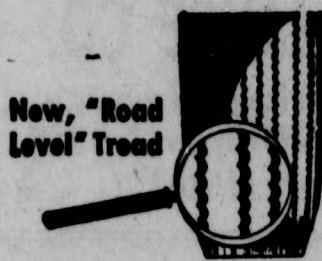

OUTWEARS PREWAR TIRES!

New Passenger Car Tire with Safer-driving, Longer-mileage features

Now, better
Synthetic Rubber

Developed by B.F. Goodrich—it's far better than ordinary synthetic rubber. Helps the new tire run cooler, wear better. It resists cracking, bruising and damage from accidents better too.

Now, "Road
Level" Tread

35% stronger tire body makes possible tread with a flatter contour—its whole width touches the road. More rubber on the road to share the wear—evenly. The tread design has hundreds of skid-resisting curves to grip—and stop quickly!

16,800,000 Test Miles

Has more test background than any previous B. F. Goodrich tire. Extensive laboratory tests plus 16,800,000 miles of actual road tests—on taxi fleets, police cars, and the B. F. Goodrich test fleet—proved it outwears prewar, natural rubber tires!

3 years' EXTRA synthetic tire experience

Three full years before any other manufacturer, B. F. Goodrich sold tires made with synthetic rubber to American motorists. This extra store of experience shows up in extra mileage... extra safety... extra value.

**Daly City Has
Own Radio Show**

Daly City went on the air Thursday morning of this week, in a new series of broadcasts over KYA designed to urge support of the local merchants.

Les Malloy, well-known Bay Area mikeman, was the announcer and producer of "Daly City On The Air," which was highlighted by musical hits, old and new, and the Les Malloy flair for good entertainment.

Watch the Record for details of coming programs in this series.

**School Children
Have X-Ray Tests**

More than 4800 school children of San Mateo county have received X-ray examinations in the Christmas Seal traveling laboratory of the San Mateo Tuberculosis and Health association during the past two months. The "lab" has moved from school to school in the various cities and towns, and when the 5,000 figure have been reached a statistical report will be issued to show the results, probably at the beginning of the new year.

When the examinations in the schools are concluded the X-ray lab will be made available to all citizens, adults and children alike, and without any cost. The money from the sale of the Christmas seals pays all bills, the association having no other source of income.

Canadian Rail Traffic

In the year 1939, the Canadian National Railways carried 19,144,749 passengers; in 1944, the number was 35,928,212.
